

Shengyi Zhang

*Hard work,
Self-driven, Enthusiasm*

Basic information

Age: 24

Birth: 1994/11/02

Nationality: China

University: USTC

Education: 2011/7-2015/6

Bachelor of Science

Contact

Mobile: +86-17376560156

Mail: gggshaw007@gmail.com

Wechat: Syzhang7

Professional Skills

Python web crawler/pandas

JavaScript Vue.js/React

MySQL/Excel

HTTP 5/CSS 3

Career objective

Software engineer

01/Education

2011/7—2015/6

University of Science and Technology of China

Geophysics, Bachelor of Science

- Curriculum GPA: 3.57/4.3, ranked 16th out of 85
- Bronze Prize for excellent students for three consecutive years.
- Math and Computer Science courses took:
 - Calculus; Linear Algebra; Computer Programs Design;
 - Computational Methods; Probability and Statistics;
 - Introduction to Computer Science; Introduction to Tensor Analysis;
 - Stochastic Processes; Data Structures and Database;

02/Internship Experience

Algorithm intern in Anhui Geological Exploration Company in 2016.

- Applied geophysical algorithms to engineering softwares.

03/Work Experience

TPLINK MEA FZE—2015/7-2017/7

Product Manager (Dubai)

- Utilized Python to manipulate and clean sales data.
